

Come be a part of the future of our parish - Volunteer for Religious Education!

We are looking for adults that have a passion to help guide our next generation in the Faith through catechesis. We have openings at multiple different grade levels and for multiple different roles (catechist, aide, floater, and substitute). Our goal for catechesis is to engage our students through content that will challenge them to deeper know their faith while offering activities that will also show the joy of the Faith. Please consider being a part of this critical mission for our parish by volunteering to help this upcoming year!
